	<u>Action</u>
<p>1. <u>SFVS</u></p> <p>The SFVS has been completed by the Finance Committee and was presented to the GB for approval. The paperwork was signed by Judith and will be submitted.</p>	Kate
<p>2. <u>TRAINING</u></p> <p>Maria Uragallo delivered training on “Improving Performance through Governing Body Self Evaluation”. The GB undertook a self evaluation process, looking at the school’s strengths and development priorities. They also analysed their own strengths and weaknesses in their knowledge of the school and in understanding, monitoring, challenging and supporting achievement of the key priorities. The GB considered how best they would communicate with Ofsted inspectors in order to convey the characteristics of the school and their own role in its success.</p> <p>Maria suggested that governors look up some recent inspection reports and read the sections on ‘Leadership and Management’.</p>	All governors
<p>3. <u>AOB</u></p> <p>It was agreed that the first ‘strategic’ GB meeting of the 2016/2017 school year should be a whole GB review of the SDP in order to consider the strategic plan, any actions to be taken and celebrate successes.</p>	
<p>4. <u>NEWS FROM THE GB</u></p> <p>The GB attended an externally led training session which included self-evaluation of both the GB and the school. The session also covered the expectations of the new Ofsted inspection system.</p>	
<p>5. <u>NEXT MEETING</u></p> <p>Thursday 28th April 6pm in the Staff Room.</p>
