When you share the project a link is generated which is unique to you. We will use these links to find the **Greatest Influencer** (in terms of money raised). The Greatest Influencer will have a copy of a book of their choice put onto the bus with a bookplate to commemorate their heroic fundraising support.

Let's see how far around the world our project can go!

Does your company sponsor local community projects? Share it with your boss! Know someone who has lots of money and a generous heart? Share it with them!

HOW DO I DONATE?

Can I be a Sponsor?

Yes. Anybody can be a Sponsor. You will need either (a) a PayPal account, or (b) a debit or credit card. The project owner decides which of these two methods of payment they will accept (or both), so the payment choices rest with them. You will be asked for your details when you pledge to a project.

How do I make a pledge?

Simply find a project you like and hit the 'Sponsor This Project' button at the right-hand side of the page and follow the on-screen instructions.

When will I be charged?

Your card or PayPal account will be charged after the project fundraising deadline but only if the project you pledge to achieve its minimum needed by this date.

If the project is unsuccessful no money changes hands, so your card/account is not charged.

What happens if a project does not achieve its minimum needed?

Nothing! No money changes hands. This is all-or-nothing funding.

Can I pledge anonymously?

Yes. When you make a pledge you will be given the option of displaying:

- your name and the value of you pledge;
- just your name; or
- remaining completely anonymous.

Please note that you will not be anonymous to the Creator - only to the public.

Is the value of my pledge made public?

Not automatically. We leave it entirely up to you to decide whether your name and contribution should be displayed as described above.
