### Science Week 12-16th March

Thank you to all those who have volunteered to help during our upcoming Science Week. There are exciting things happening in each year group.

For some of the activities we will need some extra resources. If you have any of the following that you no longer need then please could you bring them in and pass them to a school adult saying "this is for Science week"

We need: Guttering, plastic tubing, spare bamboo poles, newspaper, junk modelling stuff (cardboard tubes, cardboard boxes, unwanted chopsticks, interestingly shaped containers etc.) Pulleys, wheels, rotating things, spinning things, unwanted rubber bands, unwanted 3D glasses (from the cinema,) thin transparent plastic film (like birthday cards come wrapped in) or junk e.g. lids of soup pots.
