Breakfast Club at Mayfield?

Very early discussions are taking place, following parental feedback, about the possibility of re-opening a breakfast club at Mayfield. We would like to hear **AS SOON AS POSSIBLE** from parents whether this would be of interest to you and your families. Please email office@mayfield.cambs.sch.uk to let us know. The school gates would continue to open at 8.30am for those who use the early playground drop-off.

Reception, Y1 and Y2 School Meals on Thursday 17th January

The school has received some funding for providing free school meals for all Reception, Y1 and Y2 children from September last year. The balance of the funding we will receive will be based on the number of meals taken on the school census days in October and January. It would therefore be very helpful to the school budget if as many children as possible in those year groups have a school meal on Thursday 17th January.

Aspens are offering a special menu on the 17th of an all day breakfast. Of course, children in KS2 are very welcome to have a school meal that day too. There are photos of the great food produced by Aspens on our website <http://mayfieldcambridge.org/?p=3265>

Parent Governor Election

We currently have a vacancy for a parent governor; please look out for the election letter coming out today. No previous experience of school governance is necessary and training is available. The governors are a very welcoming and friendly bunch. If you'd like to find out more please stop by the office for a chat or email me on kvadhia@mayfield.cambs.sch.uk

Before and After School Clubs

Some of our clubs before and after school have started again for the New Year, and others will be starting next week. The new timetable has been updated and will be available on the school website with links and booking forms by the end of the week.

Unfortunately there will be no Tennis Club this half term after Sue Meadows retiring before Christmas. However plans are in place for Cambridge Lawn Tennis to take this slot in February. Details to follow.

Code Club will be returning once the University students are back. Pupils will need to sign up again for this club, and letter will be distributed when arrangements have been confirmed.
