Well done to Jayan for achieving Grade I with merit in Piano.

Parking Around the School and Windsor Road

Please can parents remember to park respectfully when they drop off their children. Grass verges are not for parking and driving on especially when it is wet. Neighbours may need to go out so please don't block their driveways.

Morning Drop Off

For the safety of the children please can we remind you that all adults and children should remain on either the infant or the junior playground until the whistle is blown. Therefore no one should be waiting outside classrooms or walking between the two playgrounds until the whistle is blown.

During the period from 8.30-8.45 supervision is provided for these playgrounds only. In order to ensure that no children are wandering around the grounds alone we would ask that you remain on the playgrounds to ensure the safety of all.

Thank you for your co-operation in this.

School Census Day Lunch – Thursday 16th January

The school receives funding for providing free school meals for all **Reception, Y1 and Y2** children. The funding we receive is based on the number of meals taken on the school census days in October and January. It would therefore be very helpful to the school budget if as many children as possible in those year groups have a school meal on Thursday 16th January. The menu for that day is a favourite – All Day Breakfast, followed by jelly and ice cream. **Please note the publicised menu of Roast Pork/Quorn Roast will not be available.**
