

Parent Forum – Thursday 15th October 2020

This morning we held our first virtual parent forum. The main topic was around baseline assessments. Thank you to all those of you that joined us. For those of you that were unable to we have collated a Q&A from the session as well as providing a link to the recording of it which can be found below.

Q&A

How is the outdoor space being used?

The grounds have been divided into sections so that bubbles remain together at playtime and lunchtimes. Each group has enough space to run around, although there are inevitably some difference between the landscapes of each bubbles area. The conservation area is being used for out and about, and larger areas are used in these sessions depending on who else is outside.

Will Spirals books from last year be sent home?

Each term the children add to their learning journals during spirals weeks. As there were only two spirals weeks last year and the books were not full we decided to keep them and add to them this year. The books will come home at the end of this academic year. The children are currently having spirals conversations with their teachers and will continue to do so over the next few weeks. The books have been a helpful way of teachers seeing what they children were doing just prior to lockdown.

When are parents' evenings?

Parents' evening are scheduled for the week beginning the 23rd November. Further information about how to sign up and attend these online meetings will be sent out via Parentmail nearer the time.

Next meeting

The date for the next Parent Forum is on Thursday November 26th at 9.30am and the the Zoom link is below. The main topic will be on 'dyslexia friendly classrooms'.

Topic: Parent Forum

Time: Nov 26, 2020 09:30 AM London
