Thank you

Thank you to the whole Mayfield community for all of the support, cards, flowers, cake and the hugely generous donations (in excess of £500) to the two charities nominated in memory of my husband Mark. I am now slowly easing my way back into school.

Changes to Google Groups

As part of our recovery plan and to ease the flow of emails during any future class closures, it has been decided that we will modify our use of the GoogleGroups communication tool. Going forward each **class** will have their own class GoogleGroup, with all teachers being able to message their year group classes jointly or separately. Our aim is to better manage the messages we send and share appropriate information with the correct class groups without filling up your inbox unnecessarily.
