

## Parent Newsletter

Summer No. 2 – Wednesday 21<sup>st</sup> April 2021

We have all been enjoying the warmer weather this week and it has been a joy to see the grounds being used even more by everyone. Choir has restarted, and with it a sense of a step towards normality, with the sound of singing in the mornings. On this note we are sorry to say that we are continued to be advised by county to keep things as they are at school in terms of bubbles, so for the time being we will remain in class bubbles. We will update you as soon as we hear any advice to the contrary. Thank you for everyone that responded to our Spring Parent Survey. A summary of the findings is attached.
