#### **Eco-Club Notes**

Mayfield pupil eco-council met last week and the following points were raised:

- Y6 pupils are to start a litter picking club on Thursday lunchtimes. Any pupils are welcome to help.
- Green Procurement - we will be looking at a Green Procurement policy to present to Governors.
- Curriculum - we have started checking where we cover Eco-topics in our curriculum already.
- A Year 6 Pupil has been collecting pens from each classroom at school for recycling for nearly a year now.

#### **Lost Property – increasing in volume**

Please can everyone make sure that items belonging to your child are **clearly labelled with their name** and if possible class. It is becoming increasingly difficult for our volunteer to return items as they are not named. Items in the lost property cupboard which are not claimed after 3 weeks are donated to charity.

We are lucky enough to receive a very generous 20% donation from [easy2name.com](https://www.easy2name.com/) for all labels purchased - please visit their website (<https://www.easy2name.com/>) and select "MAYFIELD CB4" from the drop down list when placing your order.

The gates on the KS1 playground will be open and notices will be up showing you the way. **There will be no access through the front of the school via the small hall**, unless you are leaving after 6pm when the gate and Year 1 door will be locked.
