School Census Day Lunch –Thursday 16th January

The school receives funding for providing free school meals for all **Reception, Y1 and Y2** children. The funding we receive is based on the number of meals taken on the school census days in October and January. It would therefore be very helpful to the school budget if as many children as possible in those year groups have a school meal on Thursday 16th January. The menu for that day is a favourite – All Day Breakfast, followed by jelly and ice cream. **Please note the publicised menu of Roast Pork/Quorn Roast will not be available.**

School Office

No EAL Drop in this week

Please note, due to staff training, there will be no EAL parent drop in on Thursday this week. Sessions will start as normal next week.

Science Week 2020

Plans are underway for Mayfield 2020 Science Week which runs from the 9th-13th March (to coincide with British and Science Week and the Cambridge Science Festival). We are lucky to have parents in the school who work in the field of Science, Engineering and Technology and we wondered if anybody could offer any activities or come to talk to the children about their areas of expertise in these areas? If you have an area of expertise you'd like to share or are keen to get involved in any of our Science Week activities then please let Mr Evans or Mr Holt know by the end of January.

Activities to do at home and 'out and about'

At home: have a go at making some gooey putty:

You need: 3/4 cup of corn starch/corn flour and 1/2 cup of washing up liquid. THAT'S IT!

How to make it

Add the cornstarch/cornflour to a bowl. Add the washing up liquid to the cornstarch/cornflour. Mix until it is well combined. Then get your hands in there and mix it until it becomes oozy, gooey loveliness!

'Out and about': Did you know that there is a free weekly sporting event at Milton Country Park. On Sunday mornings there is a 2K park run for children and on Saturday mornings an adult 5k run that children who are able, can join in with. Follow the links below to find out more:

Book Sale

There will be a second hand book sale in the Infant Playground after school on Wednesday 22nd January. All books will be 30p. Proceeds will go towards new books for the library. Please bring any books you would like to donate for the sale to the office.

Library Monitors

Would you like to train to teach?

Places are currently available on our Primary and Secondary PGCEs for September 2020 entry. Whether you're about to submit your application or just beginning to consider training to teach, come along to our PGCE Open Day on Friday 7th February. You can meet staff and students, attend talks, speak to our admissions team, and see our library and gardens. The Faculty of Education is rated Outstanding by OFSTED and was the no.1 provider in England in the Good Teacher Training Guide 2017 (most recent edition.) Booking for our Open Day is essential. You can see a timetable and register your attendance here: <https://www.educ.cam.ac.uk/openday/>

Any questions should be directed to the Outreach and Recruitment Coordinator on outreach@educ.ac.uk or 01223 767671.
