

ATTENDANCE POLICY

This school is a member of the CB4 Schools cluster partnership and this policy reflects the cluster vision of working in collaboration to facilitate participation and learning for all. Our aim is to provide a consistent approach to all aspects of learning whilst recognising the diversity of needs of the families within our community.

October 2020 – due to Covid-19 bubble arrangements we currently have staggered start times to the school day for each year group. The register will be taken as soon as the children are in class. Any child arriving after 9.30am (without an accepted reason) will be recorded as unauthorised lateness (code U).

1. Statement of Intent

1.1 The school aims to work together with Parents/Carers to ensure that all children registered at the school attend both every day and punctually.

2. Parents/Carers' Responsibilities

2.1 Parents/Carers have a legal duty to ensure that children of compulsory school age (the term after that in which they are five) attend on a regular and full-time basis.

2.2 Parents/Carers should ensure that if their child is to be absent from school for any unavoidable reasons such as sickness, they should contact the school as soon as possible, but by 9:15am, on the first morning of absence.

2.3 Parents/Carers should ensure that their child arrives at school in time for the start of registration (**8.55am**). If a child is late they should report directly to the school office with their parent if appropriate. If the parent is unaware of the lateness then they should be contacted by an appropriate member of staff. **Lateness is monitored and may be recorded as unauthorised.**

2.4 ***We are keen to ensure that we promote the highest attendance possible for all our young people as this is a fundamental life skill that will ensure young people's future success. Not only is it vital that our young people establish the very best habits and routines to ensure their success as future employees but there is also very clear national data that clearly shows the impact that poor attendance has on young people achieving the best possible outcomes and educational achievements. In short, if children are not at school we cannot teach them and this will affect their academic achievement at all levels.***

As a result of this we are taking a very firm and consistent view when parents seek permission for an absence from school for their child due to circumstances other than genuine illness. All parents can expect that all requests from parents seeking permission for leave of absence for their child will be refused and therefore unauthorised. Permission may be sought where there are exceptional circumstances such as attending the funeral of a close family relative.

3. School Responsibilities

- 3.1 The school will record and monitor attendance in accordance both with the statutory requirements and with the principle that regular, uninterrupted attendance is vital to a child's educational progress.
- 3.2 Registers will be called twice daily at 8.55 am and 12.40pm (foundation stage), 1.05pm (Y1 & Y2) and 1.15pm (KS2). Any child arriving after these times will be recorded as 'late' for that session. Any child arriving after 9.30am (without an accepted reason) will be recorded as unauthorised lateness (code U)
- 3.3 Teachers will complete registers in accordance with the guidance contained in the register. Registers are reviewed with EWO (Education Welfare Office) whose responsibility is attendance, at regular intervals.
- 3.4 Should a class teacher have particular concerns about an individual child's attendance or punctuality, their concerns should be brought to the Headteacher.
- 3.5 If a child is absent the office staff will enter the appropriate code in the register. If no explanation has been received by 9:15am from the child's Parents/Carers then, on safe guarding grounds, the school will endeavour to make contact with the parent after which an appropriate judgement regarding authorisation will be made.
- 3.6 The Headteacher will regularly collect attendance data and will use this data during meetings with the school's Education Welfare Officer (EWO). These meeting will agree on attendance thresholds and targets and will identify respective tasks and follow-up actions for both the school and the EWO.
- 3.7 The school will employ a number of strategies to promote regular, punctual attendance:
 - the Headteacher and class teachers will communicate regularly with Parents/Carers on attendance matters;
 - appropriate personal encouragement or congratulation will be offered to individual children and classes;
 - clear attendance information will be entered in the school brochure;
 - Local Authority Parents/Carers leaflets will be sent to all new Parents/Carers.

Definitions

Authorised Absence

- An absence is classified as authorised when a child has been away from school for a legitimate, acceptable reason and the school, has received an appropriate notification from the parent/carer. For example, should a child be unwell and the parent/carer writes a note of explanation and/or telephones the school to explain the reason for absence.
- Only the Headteacher or a properly designated member of staff may authorise any absence. Parents do not have the authority to do so. Consequently, not all absence supported by parents will be classified as authorised.

Unauthorised Absence

- An absence is classified as unauthorised when a child is away from school without the permission of both the school and the parent/carer or if the child is away from school without good reason even with the support of a parent/carer (eg shopping or a birthday).

Holidays taken within the school term (except in exceptional circumstances agreed by the Head teacher) will be deemed as unauthorised absence. The expectation of the Local Authority is that

term time holidays should not be planned or booked as they are likely to lead to the issuing of a penalty notice.

- Parents who take unauthorised term time holidays, or whose child has a pattern of unauthorised absence forming over any four week period, could be issued with a Fixed Penalty Fine.

Where there is a history of good attendance and no previous issues with term time holidays being taken in the previous three years, a monitoring period and a formal warning will be applied. Where there are existing or previous attendance issues and other unauthorised leave taken in previous terms/years, a Penalty Fine will apply.

The fine for a Penalty Notice is £60 per parent, per child, rising to £120 if paid after 21 days but within 28 days. If a Penalty Notice remains unpaid, parents may be the subject of court proceedings for failing to ensure the regular school attendance of their child(ren), which could result in a fine of up to £2,500 and/or a term of imprisonment of up to 3 months (per parent).

- Exceptional circumstances will be considered on an individual basis but the following will NOT meet the criteria:
 - Cheaper holidays in England or abroad
 - Visiting family. friends who have different half term holiday dates
 - Family weddings for more than 2 days or visits to see family abroad
 - Relatives coming to visit

4.0 This attendance policy will be reviewed annually.

Examples

Good attendance - Children are expected to attend school for 190 days of the year (380 sessions). Expected attendance is considered to be 95% or above; this equates to less than 2 weeks (9.5 days) absent in any school year for illness or days of religious observance.

Good attendance includes children arriving on time for school in the mornings, no persistent absences, and no patterns in absence, e.g. often being absent on Mondays or Fridays, or on the last day of term/half term.

Leave of absence – Leaves of absence taken during term time will be categorised as Unauthorised Absence. However, in very exceptional circumstances schools may authorise an absence during term time. Such circumstances may include; a family holiday judged to be important to the wellbeing and cohesion of the family, following serious or terminal illness, bereavement or other traumatic events. These cases should be discussed with the Head Teacher **in advance** of booking, and will be considered as a ‘one off’ occasion. Factors taken into account when deciding to authorise, will include the following; previous attendance, and key events or stages in the academic year.

In very exceptional circumstances, absence may be authorised, however, a family holiday will not be authorised for the following or similar reasons;

- The availability of cheap holidays
- The availability of desired accommodation
- Poor weather experienced during school holidays
- Holidays that overlap the beginning or end of term.
