Spring No. 2 – Wednesday 24<sup>th</sup> February 2021

Following the announcement on Monday regarding the full re-opening of schools on 8<sup>th</sup> March we are busy ensuring that we are ready to welcome everyone back. We will write a separate letter to confirm all arrangements next week.

We continue to enjoy seeing all the children's wonderful posts on Seesaw and Tapestry – thank you again for all the support you have provided your children to enable this to happen.

We are expecting some more laptops from the DFE at the end of the week. If you think that your family would benefit from an additional device next week then please do let the office know and as soon as we receive them we can get one ready for collection.

Thank you to everyone that has contributed a 'bird' to our art installation. It is not too late to submit a drawing to add to the flock!

We hope you are all enjoying the warmer weather and enjoying the opportunity it brings for more time outside. The school grounds are beginning to blossom and we look forward to everyone being able to enjoy them again in the next few weeks.

| <b>Book Amnesty</b>           | <p>In preparation for the children returning to school please can you have a look for any school books that you may have borrowed. We are especially low on supplies of our book banded books (those with coloured stickers on the side) which were once well stocked.</p> <p>There is a box in the front foyer for any returns to be put in. All books will be quarantined before returning them to where they belong.</p> |   |
