Spring No. 5 – Wednesday 17th March 2021

We are getting ready for the warmer weather. Year 1 and 2 have been gardening, weeding and planting seeds. Agnes our gardener has, as always, worked her magic on the flower beds, and children have been seen just standing and taking in the beautiful flowers that are appearing. This week we have taken delivery of new sports equipment, using our sports premium budget, following an audit by Sarah Fillary our PE subject leader. Everyone is looking forward to using it in PE lessons. The children have settled in and are enjoying collaborative activities as well as getting stuck into their usual timetable. When asked what was best about being back at school one class told their teacher it was simply, 'being with you again'.
