Summer No. 7 – Wednesday 26th May 2021

As we head towards the half term we want to say a big thank you to everyone for the positive way that you have all approached this half term. The children have been amazing at switching back to all being together again and embracing school life despite the restrictions. Thank you also to parents and carers who have continued to be patient with on-going restrictions in school. We have been advised by the County Council to continue as we are for now, and will continue to update you on any further guidance we receive.

We wanted to bring to your attention a survey for children called 'The Big Ask'. It is being conducted by Dame Rachel De Souza who is the Children's Commissioner for England who says

'Hi, my name is Rachel de Souza and I'm the Children's Commissioner for England. My job is to speak up for children in England, stand up for their rights, and make sure that the people in power listen to what children need and want.'

The survey takes about ten minutes to complete, is anonymous and can be completed by clicking on [The Big Ask](#). We look forward to seeing everyone back on Tuesday 8th June (Monday is a staff training day).

We hope you all have a relaxing half term, and that summer decides to get going so we can all enjoy being outside!
