Summer No. 10 – Wednesday 23rd June 2021

There is lots of preparation of performances and the start of filming going on this week. Year six are busy learning their lines in preparation for their performance of the Jungle Book, and the orchestra and choir have started recording their production. We are looking forward to an online creative extravaganza during the last week of the term, when we will all get to watch the premieres. Thank you to all the adults who are involved in making these productions possible.

Today, as the sun shines, it is lovely to see so many classes taking their learning outside. Children are measuring objects, playing the recorder, performing stories and enjoying the pool.

Picnic Blanket Request

It's a lovely time of year to listen to or read a story outdoors. It would be great if anyone could donate any unwanted picnic blankets so classes can go outdoors and together enjoy any good weather still to come.
