Autumn No. 1 – Wednesday 8th September 2021

Welcome back to the new school year. It is so lovely to see the children having lunch together in the hall – one group were seen raising their glasses of water in a toast to eating together again. Drop off and pick up arrangements seem to be working well, and the morning routine allows for a prompt and calm start to the day – thank you for your support with this. Thank you also for sending your children to school in uniform, information about the appropriate uniform can be found on the school website.

You may have heard the government’s plans to distribute CO2 monitors in school. We decided to buy one in the summer term and are monitoring levels in classrooms twice a week. You will be pleased to know that the current measures in classrooms of open doors and windows mean that all rooms are within an acceptable range.

‘Meet the Teacher’ will be happening this year again via Zoom. It is scheduled for 23rd of September, and details of timings will be sent out in the next newsletter and via google groups next week.

Mrs Ayliffe and Mrs Stepney

Staff Announcement	Ms Dhanda has decided, after much consideration, to take early retirement from October 2021. We would like to take this opportunity to thank her for the enormous contribution she has made since her arrival in January 2016, for her insight and the amazing way she has secured EHCPs for many of our children. This is a real achievement and we are very grateful to her for this, and she will be missed from the Mayfield team.
