Autumn No. 4 – Wednesday 29th September 2021

In the entrance is a display (pictured above) which we used for our first assembly of the year. The children reflected on how encouragement, whether from friends or adults, helps us all to be courageous. Each week we have been focusing on one of our Core Values in assemblies, and discussing how encouragement and courage can help us demonstrate these values. We have used picture books to support these discussions and have added some of the children's ideas to the Core Values display. The values discussed so far are 'respect' and 'resilience'. You might want to discuss these values with your children and get them to think about ways they demonstrate them at home.

On another note we are delighted to see children wearing school uniform. Please check the website for the uniform requirements and links to where uniform can be bought. As you will see below there is a sale of uniform next week on the playground.

Celebration Art Project

This project is returning once again to help raise much needed funds for school art supplies. The children love seeing their artwork professionally printed. You can order cards, cushions, wrapping paper, tags, mugs, coasters, notepads and thank-you cards.

In the coming weeks, every child will bring home a plastic wallet with their artwork and details on how to order. Please fill out clearly and return to your child's class teacher.

All orders must be paid for on ParentPay only
www.parentpay.co.uk by **Monday 11th October**.
No cash or cheques can be accepted.
Unfortunately, late orders cannot be accepted.

Pre-loved Uniform Sale

On Wednesday 6th October we are planning to hold a playground sale of pre-loved items of school uniform. If you have good quality, out-grown items you wish to donate, please bring them to the school office as soon as possible for sorting. Please do not bring lots and lots of items, as storage is limited, just good quality and ready to be re-homed. Items will be priced £1 and upwards with monies being used to support resources in school.
