Spring Term 6 – Wednesday 9th February 2022

Walking around school this afternoon it has been lovely to see the children working collaboratively on their Spirals Week projects. Year 2 have been making fire engines, and much cheering has just taken place as the engines travelled across the carpet using the energy stored up in the elastic bands. We also have Anderson shelters, animal books, mummified tomatoes, sustainable towns and houses complete with electric lights and switches. Teachers have been having their Spirals conversations with the children too. It is such a joy to hear these conversations about the learning everyone is doing in school.

We do hope everyone is able to have a good half-term break. Spring 2 starts for the children on Tuesday 22nd February. On Monday 21st February staff are in school on a training day. One of the things we will be doing is learning how to use the new library system, ready for the children to use in the new term.
