Spring Term 11 – Wednesday 23rd March 2022

We are looking forward to welcoming parents to see year 3's performance of Ancient Egyptians today and tomorrow. Next week Rocksteady will be performing in the large hall to a limited crowd of children and we are hoping to be able to Zoom into everyone else's classrooms, so that they too can enjoy the music.

For those of you that are unfamiliar with 'bits and pieces' and how the children use them, they are a range of small items that the children use to create pictures of their learning – this may be a story, the circulatory system, the water cycle – anything is possible! Over the Easter holidays we will be restocking the 'bits and pieces' resources in the 'out and about' shed. If you have any buttons, pegs, marbles, curtain hooks, pine cones, ribbons..... anything that the children can use to create pictures of their learning we would be very grateful for them. Please leave any donations at the office.

<p>Covid19 reminder</p>	<p>The advice regarding isolation for children testing positive of Covid19 remains in place until 31st March:</p> <p style="text-align: center;">Children with Covid Symptoms or a positive test result</p> <p>Children and young people with COVID-19 should not attend their education setting while they are infectious. They should take an LFD test from 5 days after their symptoms started (or the day their test was taken if they did not have symptoms) followed by another one the next day. If both these tests results are negative, they should return to their educational setting if they normally attend one, as long as they feel well enough to do so and do not have a temperature.</p>
