Summer Term I – Wednesday 20th April 2022

Welcome back to the summer term – we hope you all had a relaxing break. We are looking forward to the prospect of the usual summer activities – plays, sports days, music concerts - and welcoming parents and carers back into school to participate in these once again.

The library has continued to be restocked with some exciting new books thanks to the generosity of donations via the website. It is lovely to see the excitement of the children exploring both new and old books in the library during class and lunchtime sessions.

Thank you again for sending your children into school dressed in the school colours and with appropriate sportswear. There are still a few sparkly outfits and we would be grateful if these could be saved for the weekends!
