Most are learned and sung from memory.</p> <p>Mayfield Choir will give several performances during the year, including a show, and leading the school in singing assemblies. Older children are invited to perform at West Road in the Spring term.</p>	<p>Mayfield has one of the finest primary school orchestras in the country, with strings, woodwind, brass and percussion sections. We aim to accommodate any child in school who is Grade 1+ in an instrument. Children who do not have Grade 1, but have been playing their instrument over a year, can play a few scales, and can read music, may also join.
