Summer Term 7 – Wednesday 7th June 2023

The second half of the summer term always feels slightly frantic with trips, summer concerts (11th July), sports day (13th July), year 6 performance (12th July) and leavers' events and of course move up afternoon, when the children can meet their next teacher. 'Move up' afternoon this year will happen on the afternoon of 4th July and there will be an opportunity to meet your child's new teacher/teachers at the end of the day.

Each year we look at the structure and dynamics of each year group and determine whether a mixing of classes would be beneficial. We are currently looking at this and I will write to each year group separately if this is going to happen in their particular year group.

Please also note below, that we have a number of job opportunities currently. We will shortly be interviewing for a new KS2 teacher to replace Mrs Emery, an afternoon administrator and several Learning Support Mentor roles.

Job Vacancies	Would you like to join our team? We are currently advertising several job vacancies across the school. Full details, job descriptions and application forms are available on the school website at the following link: http://mayfieldcambridge.org/?page_id=2333 There does seem to be an intermittent problem with downloading the application form. If you have problems please get in touch with the school office, who will email you a copy.
Gardening Club	We are delighted to announce that Gardening Club is making a come back! Please come along on Wednesdays after school at 3.15pm, meet at the raised beds by the trim trail . Everyone is welcome, all children must be accompanied by an adult. Full details in the poster included in the email for this newsletter. Agnes, the School Gardener, has lots of plans including tidying up the raised beds, planting new shrubs and creating new areas in the garden where the children can play. It is a lovely relaxed club, no need to sign up, just come along and there are always lots of ways to get involved such as weeding, watering the beds and collecting seeds. We are also looking for any donations of logs for the garden so please get in touch if you have any you can spare. You can also donate to the club via Parentpay.
