Summer Term 8 – Wednesday 14th June 2023

Summer has definitely arrived! It's good to see water bottles being brought to school and we are using the shade provided by our trees and gazebos whenever we are outside. Swimming has also started today and I have been tempted to jump in with them!!! Phonics screening is happening this week and Year 4 have completed their multiplication checks.

Please do look at our job vacancies below as we build our team here further. We are interviewing next Monday for a new KS2 teacher and then I will be able to put the final jigsaw together for classes for next year. Children will visit their new class during the afternoon of 4th July.

Mrs Stepney says 'hello'. I have been talking to her today from the vineyard she is currently visiting in France! She promises that she will be back in September!!
