Summer Term 12 – Wednesday 12th July 2023

We are rapidly approaching the end of another academic year at Mayfield. So many positive things have happened this year, too many to mention every one. Therefore, I will start with the children and congratulate them all on the progress they have made, including year 6 and their fabulous SATS results. Thanks too for all of your support for us this year – governors, PTA and all parent helpers in particular. Lastly thanks to all of the staff who work so hard to support your children each and every day.

Apologies for the last minute cancellation of KS2 sports day – you can never trust a weather app, or even three of them!! We will attempt it again at 9.00am on Monday morning, straight after drop off. Please could the children arrive in their house colour T-shirts

Dinner Money Balances	All dinner money balances need to be brought up to date as soon as possible. Any Year 6 accounts in credit next Wednesday will be refunded or transferred to sibling's accounts.
Art Exhibition	All of the classrooms will be open on Monday until 5.30pm for you all to look around all of the school and see the art that the children have been working on this half term.
Music Instruments	Can any borrowed musical instruments please be returned to school by the end of term. There is a large amount of ukulele's on loan and need to be returned.
Library Books Amnesty	All library books should be returned to school as soon as possible, so they can be checked in and the library is restocked ready for the next school year. We will have a box in the front foyer to collect any returns.
A Big Thank You from the PTA	It's been quite the year for the PTA – record breaking bake sales, Bag2School collections and summer fair, a new website and more to come! Those successes wouldn't have happened if it weren't for involvement across the whole school, so a really big THANK YOU from the PTA committee. We're really excited about bringing more fun to school next year. Read the highlights and find out how your donations have been spent at fundmayfield.com/news
Summer Bunting Challenge	We've always borrowed the bunting that you see go up round the school for our events, but we'd love to have our own. Can you help? We've created a step by step guide for you to follow and you can get really creative with what you make – we'd love it to be a mix of colours and designs that really demonstrates how every child at the school is different. Templates can be found in the school office or online at fundmayfield.com/bunting – happy sewing!
