

25<sup>th</sup> June 2024

Dear Parents/Carers

We have been invited by the school to take on the running of the breakfast club at Mayfield Primary.

Cambridge Kids Club is an experienced multi-setting wrap around playwork provider. We deliver care for approximately 350 - 400 children per day at our nine settings in and around Cambridge. We have consistently been rated "GOOD" by Ofsted and our mission is to deliver the highest standard of care, at an affordable price.

**Many of you will already always know us from the holiday play scheme at St Luke's.**

We are a self-directed PLAY based provision. *"Play is a process that is freely chosen, personally directed and intrinsically motivated. That is, children and young people determine and control the content and intent of their play, by following their own instincts, ideas and interests, in their own way for their own reasons."* This is very different from the classroom environment, which can be (and sometimes needs to be) a very structured environment. We believe that before a long day at school or term of learning, children want to come to us to have fun and freedom in an unstructured self motivated way. Children will learn other skills that they need in the growing up process, but in a different way to school.

For further details on us please see our website - <https://www.cambridgekidsclub.com/>

The breakfast club will continue to run from 7:30am – the start of school. To maintain a high-quality provision, ensuring your child has the best experience and to uphold our values, our fees reflect on this and are structured around the children best interest and making sure you as parents get the most out of your money.
