Summer Term 7 – Wednesday 5th June 2024

I hope you all had a relaxing half term and are ready for this next one. There has been much excitement over the start of swimming lessons, and so far the sun has shone for them. Everyone is enjoying the newly painted pool environment; the benches that have also been provided by the PTA are a welcome addition to the poolside. Thank you again to those from the PTA who gave up their time to do this - it is very much appreciated.

We only have one half term left of the school year and would be very pleased to end the school year with children coming to school dressed in school uniform. Once again, the link to the school uniform page is here https://mayfieldcambridge.org/?page_id=1056 for your ease of access.

We are looking forward to a range of activities this half term. Rehearsals are already underway for the year six performance; classes are thinking about their contributions to the school summer fair and various sporting events are taking place. We look forwards to sharing these with you in the coming weeks.

Wraparound Childcare Survey

The Government's intention is for all parents of primary school children to be able to access childcare in their local area during the term time by September 2026 or earlier. This would be from at least 8 AM before school starts and until 6 PM once school finishes for the day.

Your child's school and Cambridgeshire County Council would like to know what you and your children would find to be the best arrangements in your community. Please complete this 5 minute survey to tell us what you would be likely to use.

- The link needed to complete the survey is:

- A QR code which can be used to complete the survey:

The closing date for the survey is Friday 14th June.
