

Parent Newsletter

Autumn Term 1 – Wednesday 11th September 2024

Welcome back to the new school year, and welcome to all the new families that have joined us. We are looking forwards to all the learning and activities that this year will bring.

The children have settled in quickly and there is a calm and purposeful atmosphere around the school. Baseline assessments are being completed alongside learning in the wider curriculum.

We had an assembly on the first day back and explained to the children the reasons behind renaming the classes Port and Starboard and what the words mean. Do ask your child about this and why we chose them. We have included the PowerPoint with the newsletter if you would like to find out more.

Sarah Stepney
