Summer Term 7 – Wednesday 11th June 2025

Another busy week! Some of the children were offsite this morning to participate in an athletics festival and a rounders festival - I haven't received a full report yet but I understand they all had a very successful morning.

Our connection to the NHS Mental Health and Welfare Team means that we have access to transition sessions for all Year Six children. This happened on Monday morning this week and marks the start of their transitions to their settings next year.

As many of you are aware Anne Taylor will be leaving Mayfield at the end of this academic year. We are so grateful to her for all the incredible work she has done over the years making Mayfield making music truly inclusive and giving the children so many diverse experiences. Thank you just doesn't cover it. We are looking forward to all the upcoming musical events this term. Anne would like to continue to raise money for music at Mayfield and there is a Just Giving page for donations towards this.

Welder Needed	We have a very small welding job which needs doing to repair a chair storage rack and wondered if there is a parent who is able and willing to do this for us. If this is you, please do get in touch.

Sports Round Up	<p>Last week, our boys and girls' football teams took part in a festival at Chesterton. They played brilliantly in very wet conditions without complaint. Well done all.</p> <p>Today Year 5 attended a rounders festival at Chesterton and 10 children from Year 6 took part in the Quad Athletics at the University Sports ground where medals galore were won! Results of these to follow.</p> <p>In the next few weeks, we look forward to some Year 3s attending a mini Olympic event at Coleridge, a friendly football fixture against Shirley (girls) and all of Year 6 attending an athletics event.</p>

Mayfield Summer Fair

Friday 27 June, from 3.15pm

The posters are up, the burgers are ordered and the ice cream van man is measuring the school gate to make sure he can fit through. It can only mean one thing... THE [SUMMER FAIR](#) IS COMING SOON!

We're always excited about this event and this year is no exception - with plenty of games, stalls and activities, bouncy castles, arts and crafts, musical performances and refreshments, there will be something for everyone to enjoy!

But before the fun begins - WE NEED YOUR HELP!

Volunteer to help out! With so many activities planned, we need your help to make it all happen - half an hour of your time will make our fair run smoothly, making the whole event more fun for everyone. Sign up with a friend or meet someone new - volunteersignup.org/KEFPD

Donate! Help us fill our stalls! We need donations of bottles of wine, gifts for the year group hampers, as well as pre-loved teddies, toys and books. Please dig out your donations and bring them into school during donate week which runs from **18-25 June**.

Buy raffle tickets! Look out for an envelope coming home this week with raffle tickets and prize info. Please buy or sell tickets to family, friends, and neighbours to support the school and win [great prizes](#)! Return stubs, money, and any unsold tickets to the school office by **Wednesday 25 June**.

Buy tokens! 1 token = 50p (the price of most activities across the fair) - it'll save you needing lots of small change, plus will help give your children independence across the fair. Buy on Thursdays in the library, Fridays near the trim trail and on our website.

Let's make our biggest fundraiser of the year a huge success! Find full details and updates at fundmayfield.com/summerfair
