Summer Term 12 – Wednesday 16th July 2025

The children have had a very entertaining week with the circus visiting on Monday for the day and enjoying a show and a circus skills workshop, alongside watching the dress rehearsal for the Year Six summer production 'A hint of Snow White' yesterday afternoon.

As I write parents of Year Six children are setting up for this evening's extravaganza. Year Six will be performing to parents and carers, then watching their 'Mayfield Memories', followed by a party and disco.

As you will be aware reports went out on Friday. Do send back the response slips to class teachers if you feel able to.

We are so pleased the swimming pool is up and running again and will get in as many sessions as possible before the end of the term.

Lost Property from Cloakrooms

Lost property will be out to claim on Monday and Tuesday after school next week, in the KSI playground. Please collect anything that you may have mislaid.

In addition to this, unclaimed items in class cloakrooms will be on display outside the classrooms for you to claim anything that may be yours, until end of day Tuesday.

Please do make sure your child takes all their belongings home by the last day of term – Wednesday 23rd July. Personal items left in the cloakrooms will be disposed of with the remaining lost property and will not be carried over to their new classroom.

Your opinion matters to us!

And finally, as the year draws to a close, we'd love to have your view on what the PTA does for you and your family. We try really hard to make sure we're providing a fun and interesting mix of events and activities, but we need your help to understand whether we're hitting the mark.
