Summer Term I – Wednesday, 15th April 2026

Welcome back to the summer term. We had a whole school assembly on Monday and focused on our core value of 'empathy and kindness'. We considered the ways in which we are kind to one another as a community and talked about how carrying out acts of kindness also helps with our own well-being. A win-win situation! Everyone was sent off considering what act of kindness they might show someone else this week.

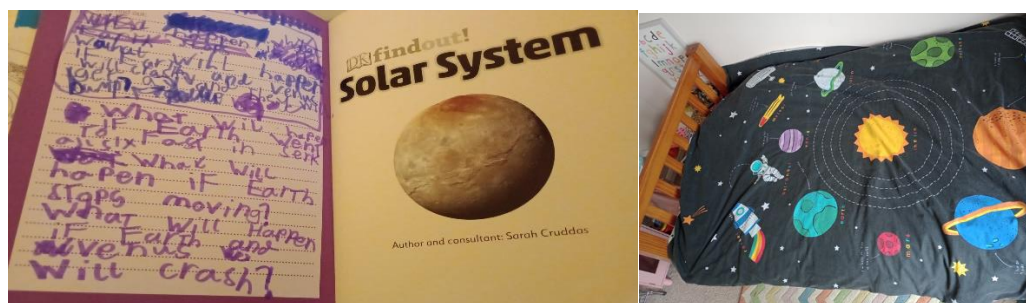

Over the holidays Mr Dave did a great job of sprucing up areas of the school. The courtyard outside the hall has been jet washed and cleared of rubbish, the old climbing bench on the KS2 playground has been removed and the front door has had a new coat of paint and looks very smart.

The children are very much enjoying the new trim trail and we are looking forwards to spending lots of time outside as the weather warms up.

Can you help the PTA?

The summer term is always a busy one, and we've got lots coming up - the ceilidh, the fun run, and the summer fair are all on the horizon. We'd love more hands on deck!

Volunteering doesn't have to be a big commitment - even an hour or two at an event makes a real difference. It's also a brilliant way to get to know other families, be part of something your kids will love, and help make sure every event is safe, fun and raises as much as possible for our school. Some employers even offer paid volunteering days, which means you might be able to help out without using your own annual leave - it's worth checking!

- Sign up to help at our upcoming events here: <https://volunteersignup.org/BFWFW>
- Fancy getting more involved? We'd love extra people on our Events team, especially in the run-up to the summer fair. Drop us a line at contact@fundmayfield.com
