Summer Term 2 – Wednesday, 22nd April 2026

It has been lovely to see the sunshine this week and the flower beds are all beginning to blossom. Lots of little pathways have been constructed through the beds which the children are enjoying using.

Last Friday Y6 had a wonderful trip to Illumina where they investigated inheritance and DNA. Have a look at the photos below. They will be presenting their trip on Friday in assembly

The chicks have arrived in reception. We currently have 11 eggs and we are waiting with bated breath for them to begin hatching.

Zig Zag Lines

Parents have been parking on the zig zag yellow lines particularly on Warwick Road and blocking up the road, as well as double parking.

Please do not park on the zig zag lines outside school.

This causes an increased safety risk to both children and parents. Parking restrictions outside schools are there to keep you and your children safe.

Parking inconsiderately can put people in danger and you also risk being fined.
