Summer Term 13 – Wednesday 15th July 2026

As we reach the end of another busy term, we would like to extend our sincere thanks to all parents and carers for their continued support which in turn help to make Mayfield a welcoming, happy and successful place for our children to learn and thrive.

Yesterday, our Year 6 pupils performed a dress rehearsal of their production of the Tempest for the rest of the school. I am very much looking forward to watching the performance again this evening when the children take to the stage for their families.

We are also incredibly proud of the children for the enthusiasm, teamwork and sportsmanship they demonstrated during Sports Day last week. A particular thank you goes to our Year 6 Sports Leaders, who did an outstanding job organising and supporting the KSI events throughout the morning.

To all the children and staff who will be leaving Mayfield at the end of this term, we wish you every success and happiness in the future. Thank you for the contribution you have made to our school community — you will be greatly missed.

I hope you all have a restful and happy summer break and we look forward to welcoming you back in September.

Shoes for Kenya	Thank you to everyone who donated shoes for the primary school in Kenya. Thanks to your kindness, we were able to take a fantastic collection of over 200 pairs of shoes with us, giving many children footwear that was comfortable, practical, and suitable for both school and play.  The shoes were shared between several rural primary schools, ensuring they reached the children and families who needed them most. Many of the children walk long distances to school every day, often in shoes that are worn out, too small, or with no shoes at all. Seeing their excitement as they received a pair that fit properly was incredibly moving. The students from Chesterton Sixth Form were deeply touched by the generosity shown by our local community.
